Experience

Bike Garage Inc.

Mechanic/Sales | March 2017-Present

Working in a service/sales mixed Trek dealer shop, balancing bike mechanics and customer service skills.

Sid3car

Front-End Developer | December 2016-August 2017

Worked alongside a full stack contractor to assist with front-end projects, picking up skills and applying them to personal projects on the side.

Trek Travel

Guide | 2015-2017

Worked alongside a full stack contractor to assist with front-end projects, picking up skills and applying them to personal projects on the side.

IU Department of Kinesiology

Research Assistant | 2014

Assisted a Exercise Physiology PhD student with their disertation in human performance. We worked together in a lab using human performance software and research techniques to gather data on elite athletes.
